

SIBAHLE JOSLINE ANITA LOTTERING

Software Developer | Full-Stack & Web Application Development

✉ anitalottering16@gmail.com | ☎ +27 78 630 0493 | 📍 Cape Town, Western Cape

PROFESSIONAL SUMMARY

Highly motivated and results-driven Software Developer with hands-on experience in full-stack web application development. Currently completing a Diploma in ICT: Applications Development at the Cape Peninsula University of Technology (CPUT), with proven proficiency in React, Node.js, Firebase, Java, and Python. Adept at building scalable, user-centric applications and thriving in collaborative, fast-paced engineering environments. Passionate about continuous learning, clean code, and delivering measurable impact.

TECHNICAL SKILLS

Languages & Frameworks	Tools & Competencies
▪ Languages: Java, Python, SQL, HTML, CSS ▪ Frontend: React, React Native, Angular, Redux ▪ Backend: Node.js, Java ▪ Database: SQL, Firebase (NoSQL)	▪ Version Control: Git, GitHub, GitLab ▪ IDEs: Visual Studio Code, IntelliJ IDEA ▪ Agile collaboration & code review ▪ API integration & performance optimisation

WORK EXPERIENCE

Web Application Developer Intern

Plum Systems Pty Ltd • Cape Town, South Africa

January 2025

Key Achievements & Responsibilities:

- Developed responsive, user-friendly web interfaces using React, improving UI consistency across multiple application modules.

- Built and integrated RESTful APIs using Node.js, enabling seamless front-to-back communication and reducing page load latency.
- Leveraged Firebase for real-time database management and user authentication, ensuring secure and scalable data handling.
- Performed systematic debugging and performance optimisation, contributing to measurable improvements in application efficiency.
- Collaborated in a professional dev team using GitLab and GitHub for version control, code reviews, and agile workflows.

EDUCATION

Diploma in Information and Communication Technology: Applications Development

Cape Peninsula University of Technology | Cape Town, WC 2023 – 2025

Higher Certificate in Information and Communication Technology

Cape Peninsula University of Technology | Cape Town, WC 2022-2022

National Senior Certificate (Matric)

ST Thomas High School | Port Elizabeth, Eastern Cape 2017 – 2021

NOTABLE PROJECTS

Emergency Management System Full-stack emergency coordination platform (in progress). Stack: React, Node.js, SQL.	Student Card & Registration App Mobile-friendly student onboarding app (in progress). Stack: React Native, Firebase.
Library Management System Book cataloguing & borrower management. Stack: Java, SQL.	Dating & To-Do Applications Consumer-facing apps with matching logic and task management. Stack: React, Python.

CORE COMPETENCIES

▪ Problem-Solving	▪ Time Management	▪ Team Collaboration
▪ Communication	▪ Proactive Leadership	▪ Deadline-Driven Delivery

LANGUAGES

English (Professional Proficiency) | **Afrikaans** (Working Proficiency) | **isiXhosa** (Native / Professional)
